SUMMER MISSION ABF

Many of you at FHC have prayed for and watched Amy Derringer Robinson and Jessica Heustess grow up. Come see and hear what the Lord is now doing in both of their lives as they share their recent experiences in East Asia. Amy and her husband Blaine have completed their first year teaching English in a very, very large city in East Asia, and Jessica recently returned from two weeks at Show Hope, an organization which facilitates adoptions, and Maria's Big House of Hope, a special needs medical facility funded by Show Hope. Join us in the sanctuary at 9:15 AM for a combined ABF.

DAUGHTER CHURCH PROGRESS UPDATE

"Praise God from whom all blessings flow..." I am humbled and amazed at God's provision for the needs of the Daughter Church. Thanks to the generosity of people (both Daughter & Mother Church) in our church family, as well as some outside our church family, we are at a place where we can now pursue a building permit and get started with the renovation of the Mill Street facility. Please pray for us as we begin to shop for chairs, consider design decisions and a whole host of specific needs. To those of you who have given or prayed *thank you so much!*

- Jeff Miller
